Sir/Madame:

This will serve as applicant's request to rescind the previous nonpublication request made at the time of filing the above-identified application. The nonpublication request was made as a typographical error and said box was not intended to be checked on the Utility Patent Application Transmittal.

The underlying continuing data will show this application stems from an earlier U.S. application that derives from a PCT Application, and therefore the priority application has been foreign filed.

Applicant apologizes for the error. Any inquiry relating to this communication can be made to the undersigned at (619) 531-0950.

Respectfully submitted,

JAMES C. WESEMAN, APC.
